

BAHAMAS POWER AND LIGHT COMPANY LTD.
VACANCY NOTICE

VN.NO. 2022-67

UTILITYMAN AND LINESMAN MATE APPRENTICES

The Bahamas Power and Light Company Ltd. invites applications for consideration into their Lineworker Apprenticeship Training Programme. Utilityman Mates and Linesman Mates are responsible for assisting with the erection, maintenance and repairs of overhead distribution and transmission lines. This includes planting and changing poles, stringing conductors and hardware, mounting transformers, making connections, tree trimming, and performing switching pertaining to the maneuvers overhead systems.

Utilityman Mates and Linesman Mates are needed in New Providence, Abaco, Long Island, Eleuthera, Exuma, Crooked Island, Acklins, South Andros, Bimini, Harbour Island, and Inagua.

The qualifying requirements of Utilityman/Linesman Mate Apprentices are as follows:

- Must be between the age range of 18 to 25 years.
- A high school diploma.
- A minimum of three (3) BGCSE's, including Math and English.
- Any other equivalent technical certification or relevant training diploma.

Applicants are required to submit **ALL** of the following documents for consideration:

- Resume
- Birth Certificate
- Current Police Certificate (within the last 6 months)
- High School Diploma
- Academic Certificates/Diplomas

During the preliminary phase of the Recruitment Process, participants will be required to undergo a Math, English and Practical Assessment.

All Family Island recruits should be a resident of that island. Upon the successful completion of the formal training programme, Apprentices will return to their respective island.

All interested persons should submit required documents through afuture@bplco.com on or before **November 25, 2022.**

Only applicants meeting the criteria will be contacted.
