

BAHAMAS POWER AND LIGHT COMPANY LTD.
VACANCY NOTICE

VN.NO. 2024-36

GENERAL SERVICE WORKER - TECHNICAL

A vacancy exists in the Company for the position of **General Service Worker - Technical**.

The Position

This job is located within the Energy Supply, Field Operations and Family Islands Divisions of the Company with responsibility for maintenance and support work. The job duties include cable excavation clearing and removing debris (after tree-trimming and from cable trenches), clearing and spraying transformers and transport and delivery services. Requires the ability to operate general maintenance equipment and tools. The job holder works under close supervision and follows established guidelines and procedures.

Responsibilities of the position include, but are not limited to, the following:

- Assisting with the overhaul and maintenance of diesel and gas turbines and auxiliary equipment;
- Performing cable excavation. This involves digging and refilling trenches near low and high voltage cables;
- Collecting and removing debris (tree trimmings) and waste from all job sites and transports them to disposal areas;
- Assisting with the construction and maintenance of the Company's property and equipment e.g., painting electrical apparatus (transformers), well drilling, laying cables, cleaning engine parts;
- Assisting with the transportation of personnel and the delivery of goods and materials from and to vendors and job sites, in the absence of drivers;
- Performing a variety of other related duties such as: assists staff in constructing mechanical and electrical parts e.g., plugs for coolers, and tire repairs.

Job requirements include:

- The completion of a High School education.
- The completion of selected courses of the Formal Apprenticeship program, or equivalent.
- Basic knowledge of diesel and gas turbine parts.
- Skills to operate trenching and general maintenance equipment and tools e.g., asphalt cutter.
- Basic reading, writing and verbal communication skills.
- Must be physically fit.
- Must hold a drivers' license to operate certain vehicles.

Interested persons should apply to Afuture@bplco.com on or before: **August 16, 2024.**

Only candidates meeting the criteria will be contacted.
